

FAL Fieldwork Support

Call for applications 2021

The research group Fieldwork in Anthropology and Linguistics (FAL) provides small financial contributions to students who endeavor to conduct fieldwork as part of their studies. We imagine that student fieldworkers could cover part of their travel and/or accommodation costs with a contribution from FAL.

To apply, submit a (max) 2-page proposal by email, including

- research plan with focus on fieldwork activities
- people involved
- budget and motivation for requested contribution

to robert.borges@lingfil.uu.se

Deadline: 15 September 2021

Decision: 22 September 2021

Students who receive funding will be required to present the results of their fieldwork at a FAL seminar.
